

# burnout or standout?

make your choice and then live your day accordingly...

...  
infinity

Choose to stand out with a smile every time fuel price increases. Your advantage over the competition just increased.

EASTERN presents the Infinity series Recuperators for flue gasses & processes with very high dust & high temperature. Armed with single sided bottomless elements.

#### EASTERN INFINITY Series Recuperator's benefits -

- High temperature
- High dust environment
- Simple operation
- Self cleaning
- Ready to install
- Short life cycle cost

As with all EASTERN Recuperators, it comes with 100% guaranteed performance, customised design, fast deliveries, zero maintenance & a long life.

And best of all, **it Pays for itself.**
